this book is a description and critical summary of the writings of dr dobell

this book aims to provide a core knowledge base which permits the doctor to make a proper analysis of the patient's symptoms and suggests the choice of crucial questions to be asked for such analysis the 240 tables and 33 figures in this book make that task easy

vols 1 12 include section reviews and criticism

ideally the public fund behind this insurance would be derived from a progressive income tax book jacket
