life however the death of her beloved younger brother at age 33 changed everything as she questioned her faith was there really a god who s running this show if there is a god does he love us oddly enough the only place she felt at peace was at church desperate and with nowhere else to go she leaned into her faith reading holy books studying scripture and listening to sermons her search led her to find god in a very personal way in the very ordinary moments of her life where incredible things happened amazing things personal messages perfect words uncanny timing suddenly like the disciples on the road to emmaus the eyes of her heart were opened once she could see the glory of god all she could see was the glory of god the emmaus walk true stories of faith hope and inspiration is a collection of those revelations those that occur in everyday ordinary life come and see the view from here is so different for god is here he s so clearly here
