a trailblazing exploration of the poetic power of popular songs from tin pan alley to the beatles to beyoncé and beyond encompassing a century of recorded music this pathbreaking book reveals the poetic artistry of popular songs pop songs are music first they also comprise the most widely disseminated poetic expression of our time adam bradley traces the song lyric across musical genres from early twentieth century delta blues to mid century rock n roll to today s hits george and ira gershwin s fascinating rhythm the rolling stones i can t get no satisfaction rihanna s diamonds these songs are united in their exacting attention to the craft of language and sound bradley shows that pop

music is a poetry that must be heard more than read uncovering the rhythms rhymes and metaphors expressed in the singing voice at once a work of musical interpretation cultural analysis literary criticism and personal storytelling this book illustrates how words and music come together to produce compelling poetry often where we least expect it

second grader bo who has achondroplasia loves music and sometimes in school he listens more to the rhythms in his head than to his teacher which gets him in trouble because he drums on his desk so his parents put together an improvised drum kit to give him a place to drum at home

will command the rapt attention of casual fans and scholars alike booklist starred review from prince's superstardom to studio seclusion this second book in the award winning prince studio sessions series spotlights how prince the biggest rock star on the planet at the time risked everything to create some of the most introspective music of his four decade career duane tudahl takes us on an emotional and intimate journey of love loss rivalry and renewal revealed through unprecedented access to dozens of musicians singers studio engineers and others who worked with him and knew him best with never before published memories from the revolution the time the family and apollonia 6 also included is a heartfelt foreword by musical legend elton john about his time and friendship with prince

with a foreword by alex osterwalder the future of work is already here customers are adopting disruptive technologies faster than your company can adapt when your customers are delighted they can amplify your message in ways that were never before possible but when your company's performance runs short of what you've promised customers can seize control of your brand message spreading their disappointment and frustration faster than you can keep up to keep pace with today's connected customers your company must become a connected company that means deeply engaging with workers partners and customers changing how work is done how you measure success and how performance is rewarded it requires a new way of thinking about your company less like a machine to be controlled and more like a complex dynamic system that can learn and adapt over time connected companies have the advantage because they learn and move faster than their competitors while others work in isolation they link into rich networks of possibility and expand their influence connected companies around the world are aggressively acquiring customers and disrupting the competition in the connected company we examine what they're doing how they're doing it and why it works and we show you how your company can use the same principles to adapt and thrive in today's ever changing global marketplace
